

Nail Care Contest

Contestants will form 5 pink and white sculpted acrylic nails on 5 fingers of a manikin hand. They will apply tips to a second manikin hand, and then apply a gel overlay to these 5 fingers. They will then complete nail art on the 5 fingers of the second manikin hand (gels and tips). Contestants will polish the acrylic nails with the dark red polish. The nail art theme must be typed and presented upon check in on the day of the contest. They will also complete a written test, an oral assessment (mocking a phone conversation, taking an appointment in a salon), and a Professional Development Test.
