

STAYING IN TOUCH

Happy Monday, State Tech!

Your State Tech Weekly Newsletter is here to keep you plugged into the *Best College in the Nation*. From can't-miss events and student spotlights to key deadlines and motivation to power your week, this is your all-access pass to everything happening on campus. Let's make it a great one—scroll down and stay connected!

STUDENT SPOTLIGHT

Ag Ops students didn't just learn about sheep—they worked them! Hands-on experience at a local small ruminant operation brought the classroom to life.

CAMPUS EVENTS & ANNOUNCEMENTS

Join us in observance of **Constitution Day**! On Wednesday, September 17, State Tech will hold an educational program about the U.S. Constitution in the library on the main level of the ITC. Every participant will earn tokens and be entered into a drawing for an Osage View gift card! The program will be open-house style, so feel free to stop by the library at your convenience from 7 am – 6 pm. Can't wait? Learn more [here](#)! See you all Wednesday!
