STUDENT SPOTLIGHT

This week, we're proud to shine the spotlight on our **State Tech graduates**—a group defined by hard work, determination, and hands-on education. From long hours in the lab to real-world experiences that prepared them for their careers, these students have put in the effort and it shows.

As they cross the finish line, they're not just earning a degree—they're stepping confidently into the workforce and making an impact. Congratulations to our graduates—we're proud of all you've accomplished and can't wait to see what's next! 🙌🎉

Graduation Caps & Gowns

Caps and gowns have been delivered to program chairs & instructors!

They will be distributed in class!

Helpful tips:

- Try on the cap and gown as soon as possible. If there are any issues with fit or *if you need an XL cap, email Katy Minnix right away.*
- The tassel is not attached to the cap and likes to hide in the bag. ***Make sure to empty all contents before throwing the bag away.***
- Hang up the cap and gown immediately to smooth out wrinkles. A cool iron or steamer works, too.
